Doing This ONE Thing Will Change Your Life Forever!

The Self Help Guide to Personal Growth & Healthy Relationships

by Jacqui Olliver

About the Book

Emotional and intimacy issues which contaminate relationships are solved in this book along with a proven strategy for enhancing all aspects of personal connection. These insightful answers can transform an adult or teen from feeling frustrated, insecure and isolated into a happy, radiant and confident person.

About the Author

Jacqui Olliver is a leader in forward thinking, an engaging and transformational speaker as well as a proactive, dynamic woman in the field she specializes in. This entails sexual "malfunction" problems, emotional resistance solutions and attraction alignment strategies for both sexes... there is no problem mentioned which fazes her in the least! Reviews

"You are really amazing. Your views about human psychology and emotions will one day, change whole of medicine."

- Dr Vijay Raghavan, *Diabetes and Metabolic Specialist for Incurable Diseases*

"Jacqui offers a readable, useful and important book. Jacqui is an intuitive counsellor, unusually intuitive to the point of gifted, and innovative and inventive enough to experiment far beyond the confines of academe, and emerge with a simple, clear counselling technology beyond mindfulness, or mere resilience training." (Recommended book to the New Zealand Government.)

- Dr Graham Little, PhD, *Institute of Theoretical and Applied Social Sciences*
